

PXI Go APP Privacy Policy

Effective as of 30 June 2023

Provisions set under this PXI Go APP Privacy Policy ("hereinafter, the "Privacy Policy") state privacy practices of PixArt Imaging Inc. (hereinafter referred to as "PixArt" or "we" or "our") on the processing of personal information by the "PXI Go APP" (hereinafter referred to as the "APP"), including what kind of information will be processed and with whom the information will be shared. This Privacy Policy applies to all information processed through this APP and constitutes a part of terms of use of this APP. Please read provisions set below carefully:

Article 1 Processing of Personal Information

This APP will use below listed features on your device for the purpose to fully execute this APP. Prior to using features listed below, we will ask you whether you agree to grant the corresponding permissions:

- Allow to send system notifications: Enable the User to obtain file transfer progress or other immediate notifications;
- Allow to detect your device and nearby devices: Enable the User to use the searching and pairing service of this APP to connect with a nearby device;
- Allow to access to information in your device: Enable the User to select which information to transfer through this APP, such as photos, videos, music, audio, text and documents;
- Allow to pair your device with a nearby device through Bluetooth: Enable the User to mirror device screen through this APP, transfer information to a nearby device, and transfer information from the nearby device to User device;
- Allow to read the device unique ID of your device: Allow this APP to automatically generate an identification code only for pairing after reading the User's device unique ID, so that the APP can confirm whether it is paired with the correct nearby device through the identification code;
- Allow to adjust the screen brightness: Enable the User to reduce the power consumption of the User's device when mirroring the screen to other device through this APP

When you use this APP, PixArt may need to process whole or part of your personal information listed below:

Scenario	Purpose of Processing	Types of Personal Information
Select which information to transfer	Provide User with the function of directly selecting the information to be transferred in this APP	Photos, videos, music, audio, text and documents
Devices connection and pairing	Provide User with the function of mirroring the screen and transferring information to a specified device	Device name, real-time network location, device unique ID, Bluetooth, local network of User's device, IP address, nearby device location and nearby device name

In order to render the services described above and optimize the user experience, you hereby agree to authorize PixArt to process the aforementioned personal information. Please be noted that if you choose not to provide PixArt with personal information or you do not agree to grant PixArt the above permissions, we may not be able to provide you with such services, in part or in whole.

Article 2 Protection, Sharing and Disclosure of Personal Information

User should be aware that there are inherent risks in providing personal information to others under any circumstances, and no system or technology in existence can be guaranteed to be 100% secure or prevent from hacking. PixArt will make our best efforts to implement security measures in line with de facto standards of this industry to protect the security of your personal information and abide by the Privacy Policy.

Except as provided in this Privacy Policy or otherwise with your permission, PixArt will not disclose, sell or provide your personal information to any third parties. When you provide your personal information to PixArt, you expressly agree that such personal information can be used by PixArt and PixArt's affiliates. However, PixArt may disclose your personal information if one of the following circumstances occurs: (1) in accordance with the requirements of applicable laws or regulations; (2) to comply with relevant legal process or as required by government body; (3) to identify and contact the person who may have violated this Privacy Policy, or to take legal action against such person; (4) to identify and contact the person who infringes PixArt's or others' rights or causes damage or hindrance to other property or interests of PixArt or others, or to take legal action against such person; and/or (5) to protect the rights, property and safety of PixArt, the User and the public.

Article 3 Amendments

This Privacy Policy may be amended by PixArt from time to time without notice. You are obliged to review the Privacy Policy of this APP regularly. If you continue to use this APP after reviewing the revised Privacy Policy, you are deemed to accept the change of Privacy Policy.

Article 4 Contact Us

If you have any questions about this Privacy Policy, please get in touch with your PixArt local sales or contact us at <https://www.pixart.com>.
